

### 5.1.3. CAPACITY BUILDING AND SKILLS ENHANCEMENT INITIATIVES TAKEN BY THE INSTITUTION

#### 1. SOFT SKILLS

Soft skills are important for students to succeed in life. These soft skills help students for their personal and professional growth. Soft skills for students are essential to succeed in the modern world. Along with technical skills, soft skills are highly needed. They are not only important in organizations, but also in schools, colleges and universities. In the present times, soft skills have become an important personal attribute to succeed. Soft skills are very important while interacting and communicating with surrounding people.

These soft skills are also important in all industries, roles and workplace and these skills enabled you to be a productive and communicative team member. Taking into consideration the importance of soft skills for students. We arranged a lecturer on 'Preparing for interviews in English' by Prof. Surwase G.H. which helps the students to face the interviews in their future career.

Besides this preparation on interview, Swaswarakshan Shibir (Self-defense camp) was arranged in the college. Webinar on 'Agriculture Business and entrepreneurship' was arranged to create the awareness about the importance of Agriculture, Business and Entrepreneurship. Study Skills courses are arranged in collaboration with IQAC cluster Pune. Commerce department arranged a lecturer by Prof. Pramod Pardeshi on 'New Trends in Marketing' to know about the new trends in marketing for the students.

## 2. LANGUAGE AND COMMUNICATION SKILLS

Language allows us to share our idea, thoughts and feelings, language is a vital part of human connection. Although all species have their ways of communication, humans are the only one that have mastered cognitive language communication. Language has the power to build societies. Language skills introduce us to different cultures, customs and behaviors. We cannot ignore the importance of language skills in communication. Communication is not limited to speaking writing and reading. It is also about understanding and appreciating other cultures. In order to inculcate the importance of language and communication skills, Marathi, Hindi & English Department arranges various programmes. Department of Hindi organized short Term course named 'Prayojan Mulak Hindi Course' From 01/01/2022 To 05/01/2022. Marathi kavyavachan Spardha was organized by Marathi Department. In this competition students presented their own composed poems. Jilhastariya Sahitya Sammelan was arranged by the institution.

### 3. LIFE SKILLS – YOGA, HEALTH HYGIENE

Life Skills help people protect themselves and promote health by taking positive action. In this constant changing environment, having life skills is an essential part that would enable us to meet the everyday challenges of life. In order to cope with the increasing change of modern life, students need new life skills such as the ability to deal with stress and frustration.

Health and Hygiene is another important life skill. Personal hygiene and healthy habits are important life skills. Health does not just include physical health but also mental health- Mental and physical health is fundamentally linked. There are multiple associations between mental health and physical condition.

Yoga is one of the life skills which helps one to navigate through social and emotional challenges of life. Yoga involves practicing of exercise that cultivates focus. Mindful practices are important as it helps us regulate our emotions better. Yoga prashikshan karyakram was arranged by the institution to teach yoga to the college students. Mr.laxman khule have the demonstration of Yoga. International Yoga Day was celebrated by performing yoga and online quiz relating yoga was arranged by NSS and cultural department.
