

### 5.1.4. Career Guidance

Students must know the opportunities after completion their graduation so a lecture on 'Career in management' by Dr. Suyog Amrutrao was arranged. Webinar on 'Agriculture Business & Entrepreneurship' was arranged to know career opportunities in the fields of agriculture, Business and Entrepreneurship. In order to crack the competitive examinations after graduation. Students must know the strategies to crack competitive examination. In order to meet this, need a lecture on 'Strategies to crack competitive examination After Graduation & Post graduation.'
