### Internal Quality Assurance Cell Research Policy

Shankarrao Patil Mahavidyalaya, Bhoom focuses on Promoting Research Culture, achieving excellence in research for the betterment and upliftment of the society.

#### ✚ Aim of Research Policy

The Policy aims to create and nourish a research culture among the researchers in order to develop and Promote research aptitude of learners and to create a conducive environment for research activities in the college. The policy of the college is designed as a general framework for the research activities of faculty and research students.

#### ✚ Objectives of Research Policy –

1. To ensure quality, integrity and ethics in research.
2. To encourage the publication of the research work in the reputed National and International Journals.
3. To take initiative for granting study leave to faculty members for research.
4. The research policy aims to create and support a research culture among the students.
5. To undertake various research Projects of social and academic importance.
6. To establish MOU's collaboration with other institutions and industries for widening the scope of research opportunities.
7. To organize seminars/ Conferences/ workshops of research methodology.

#### ✚ Scope of the Research Policy –

This policy shall apply to all the researchers of the college including all members of the staff, students and all departments of the college. This policy shall apply to all research-related activities coming under the purview of the staff and students of the college. This policy covers Publication and

Presentation of the research outcomes and related activities which are meant to make research socially relevant. So, this research policy forms the basics of the research ethics of the college.

✦ **Promotion of Research and Innovation** - The college grants freedom to its faculty and students for –

1. To conduct research in their interested field.
2. To report their findings and conclusions freely.
3. To publish their research articles in reputed journals.

The college shall strive to create a conducive environment and provides facilities and other resources for research. College motivates for writing research articles, reports and publications etc.

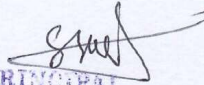

✦ **Ethics for Research** – Although the researchers have the freedom to choose their own topics of research, it is highly desirable to make research socially relevant.

- All the researchers in the college are expected to maintain integrity, honesty and professionalism in respect of all the work undertaken by them.
- The college is affiliated to Dr. Babasaheb Ambedkar Marathwada University, the college follows the rules and regulations of the university and UGC regarding plagiarism.

**The specific roles and functions of research committee are as follows –**

1. Organize workshop/seminars to promote research culture and develop appropriate research skill among the scholars and faculty members.
2. To establish linkage and collaboration with other institutions and organizations.
3. Facilitate interdepartmental/Interdisciplinary research projects.
4. Encourage and promote researchers to publish their research articles in reputed journals.
5. To depute faculty members to various workshops, symposia, seminar and conference in their respective fields as well as in areas of contemporary importance.
6. To undertake all other such activities which will inculcate research culture in the institute.
