### **Vision**

Perceiving qualitative higher education as the medium of bridging the gap between the rapidly developing towns and the most underdeveloped villages and the hamlets of Bhoom Taluka, we visualize inculcating skill-based and knowledge-based educational values to promote vocational competence, intellectual abilities, humanistic values and social awareness by adopting changing concepts used in contemporary educational systems.

### **Mission**

Our mission is to lead the socially and economically backward inhabitants of the hilly villages of Bhoom Taluka from the darkness of ignorance to the light of knowledge, wisdom sagacity and human values. Education is not perceived as an end in itself, but a means and device to achieve these objectives in the journey towards developing the best qualities of head, hand and heart.
